

*“It doesn't matter,
I'm calling you”*

A DISORIENTING GOD

“It doesn't matter, I'm calling you,”
says the Lord.

It doesn't matter whether
you're a catechist or catechized,
even at the last minute,
you are still being called.

NO MATTER

Lord, what bothers me is that
you seem to believe in me!
Your justice is not human justice,
because you call me!

I CALL YOU

“My friend, I'm calling you
no matter what your questions,
your doubts, your worldliness.
My love sees what brings you
to fullness of life.
I come to set you free.”
