

*Release the Word...  
Keep Your Ears Open!*

God, our Father  
You love us,  
you recognize us  
as your sons and daughters:  
praise be to you!

Through your Spirit,  
we become brothers and sisters  
in Jesus Christ:  
may our Christian community  
be a sign of the Love  
you offer to every human being!

You send us out on the road  
to proclaim the Gospel  
and build your Kingdom:  
so that our shared words  
and our listening to one another  
may echo your word in our lives  
and our communities!

Amen
